### **One world one burn rehabilitation standard | Request PDF**

One World, One Standard. It’s hard to fathom a world where treatments for people with epilepsy are unavailable – places where the social stigma of the disease is so strong that people are shunned, and even killed, for having a seizure. Those places do, unfortunately, exist in many developing countries. And while large pharmaceutical companies, collectively known as “Big Pharma,” focus ...

Registration to the ISO (International Organization for Standardization) 9000 series at Dow Corning Corporation follows the company's long standing approach to quality. In 1983 it identified three elements to attain world class quality. First was the quality policy, which now directs it to meet or exceed customer expectations.

### **ASQ: One World, One Standard**

OneWorldStandards is a small, independent consultancy that supports the development and use of social and environmental standards. Our clients are typically standards schemes, NGOs or development agencies, though we have also carried out projects on behalf of universities, retailers, producers and manufacturers.
